

## MANUFACTURER'S SPECIFICATION CREDIT AGREEMENT

In accordance with the IRINOX NORTH AMERICA Individual Spec Credit protection plan, the following Sales Representative person has helped us gain the below described project name or referenced purchase order by encouraging and/or specifying the use of IRINOX products. Please sign and send this form back directly to your local IRINOX representative for processing, along with your W9 form for tax purposes (if you didn't already do so).

**IMPORTANT:** It is not uncommon for operators to contract with out-of-state foodservice consultant firms for advice on equipment specifications. Sales Representatives who are promoting the use of IRINOX technology with end user accounts located in their territories prior to any design specification work with a dealer or consultant, **MUST** therefore file and submit this spec credit form immediately upon establishing a direct relationship with these operators. Failure to file this form on time may result in automatic forfeiture of the spec commission.

**Specification credit incentive:** 70% of the agreed commission amount for the below specified project
