**During the trial period, it is required a professional use of our units, and to not damage in any way either outside or inside the equipment.**

At the end of the trial period, the equipment needs to be **cleaned** and packed with **original package** (or similar) and sent back together with a **return transport document**.

Before the shipment, we ask to take some **pictures of the packed unit** and send them to [customer@irinox.com](mailto:customer@irinox.com)

In case we receive back the equipment damaged, scratched, or dirty beyond the normal use, the replacement costs will be at your total charge.

Glad to offer you this opportunity,

best regards
